Results-driven Full Stack Developer with expertise in JavaScript and Java technologies. Skilled in designing, developing, and optimizing web applications with a strong focus on performance, scalability, and security. Adept at working with frontend and backend frameworks, databases, and cloud technologies. Passionate about problem-solving, collaboration, and continuous learning.

WORK EXPERIENCE

Process Associate (Full Stack Developer)   August 2024 – Current
Genpact   Gurgaon, Haryana

• Developed and maintained web applications using JavaScript (React.js, Node.js) and Java (Spring Boot, Hibernate) frameworks.

• Designed and implemented RESTful APIs for seamless communication between frontend and backend services.

• Optimized application performance by implementing caching, lazy loading, and efficient database queries.

• Collaborated with UI/UX designers to create responsive and user-friendly interfaces.

• Utilized Docker and Kubernetes for containerized deployments and microservices architecture.

• Implemented authentication and authorization mechanisms using JWT, OAuth, and Spring Security.

• Conducted code reviews and mentor junior developers to ensure adherence to best practices.

Service Desk Analyst   March 2024 - July 2024
Tech Mahindra   Noida, Uttar Pradesh

• Provided first-line technical support to end-users, resolving hardware, software, and network issues with a 95% first-call resolution rate.

• Managed ticketing system to track and prioritize service requests, ensuring timely resolution within SLA requirements.

• Assisted in documenting common issues and solutions, contributing to the development of a knowledge base for improved team efficiency.

• Delivered excellent customer service by maintaining clear and professional communication with clients during troubleshooting.

• Collaborated with cross-functional teams to escalate complex issues, ensuring minimal downtime for users.

EDUCATION

Bachelor of Science, Mathematics   July 2018 - June 2022
Deendayal Upadhyay Gorakhpur University   Gorakhpur, Uttar Pradesh
